MESSAGE FROM PROGRAMME DIRECTOR

課程主任的話

The purpose of the Asian Studies programme is to broaden students' perspective on Asia, keep abreast of changes and trends in Asia, and enhance students' expertise in related fields.

Over the last 20 years, there have been major changes in the political and economic spheres in Asia.

- In 2019, countries in this region established the Regional Comprehensive Economic Partnership to promote regional economic integration.
- China's economy has grown especially rapidly. Presently China and Japan are now the second and third largest economies in the world, respectively.
- In recent years a trade war has broken out between China and the US, and their intense competition in Asia will have an enormous impact on the future development of the region.

As the world's center of gravity has shifted to Asia, people and governments around the world have devoted increasing attention to Asian affairs. Asian Studies has become an important field. Governments, businesses, and others aspire to understand the changes and trends in Asia.

Hong Kong has an advantageous geographic position. It is a point of intersection between Eastern and Western cultures, and is an important hub linking China with the rest of Asia. By taking courses in Asian Studies at the Hang Seng University of Hong Kong, students can enhance their expertise in this field, laying a positive foundation for future study or employment.

The Asian Studies Programme has an outstanding faculty and offers a diverse range of courses which can enhance students' understanding of Asian affairs and Asian political and economic systems. The Programme also provides language training and opportunities for overseas exchanges and study.

We have great hopes that growing numbers of young people will devote attention to developments in Asia and get involved in Asian Studies!

亞洲研究課程旨在拓寬學生對亞洲的視野，瞭解亞洲的變化和趨勢，並提高學生在相關領域的專業知識。

過去 20 年間，亞洲的政治和經濟領域發生了重大變化。

- 2019 年，該地區各國建立了區域全面經濟夥伴關係，以促進區域經濟一體化。
- 中國的經濟增長尤為迅速。目前，中國和日本分別是世界第二大和第三大經濟體。
- 近年來，中美之間爆發了貿易戰，兩國在亞洲的激烈競爭將對本地區的未來發展產生巨大影響。

隨著世界重心向亞洲轉移，世界各國人民和政府越來越關注亞洲事務。亞洲研究已成為一個重要領域。政府、商界和其他人士都渴望瞭解亞洲的變化和趨勢。

香港地理位置優越。它是東西方文化的交匯點，也是連接中國與亞洲其他地區的重要樞紐。通過在香港恒生大學學習亞洲研究課程，學生可以提高自己在這一領域的專業知識，為將來的學習或就業打下積極的基礎。

亞洲研究課程擁有傑出的師資隊伍，提供多元化的課程，加深學生對亞洲事務和亞洲政治經濟體系的瞭解。該課程還提供語言培訓和海外交流學習的機會。

我們殷切希望越來越多的年輕人關注亞洲的發展，參與亞洲研究！

During the first semester of AY2023/2024, I studied at Nanzan University in Nagoya, Japan, focusing on Japanese popular culture, sociology, and literature. Living with a local homestay family enhanced my Japanese language skills and provided insights into cultural differences. In summer 2024, I interned at the Hong Kong Trade Development Council's Tokyo Office as a Marketing Assistant, where I engaged in public relations and translation, culminating in a presentation to a major fashion magazine. Additionally, as a member of the Honours Academy, I participated in leadership development activities that broadened my global perspective and inspired my aspirations for future leadership.

在2023/2024學年的第一學期，我在日本名古屋的南山大學學習，專注於日本流行文化、社會學和文學。與當地寄宿家庭同住增強了我的日語能力，並提供了對文化差異的見解。在2024年夏季，我在香港貿易發展局東京辦事處實習，擔任市場助理，參與公共關係和翻譯工作，最後向一家主要時尚雜誌進行了演講。此外，作為榮譽學院的成員，我參加了領導力發展活動，拓寬了我的全球視野，並激勵我對未來領導角色的追求。
